

# Conformer<sup>®</sup> PRODUCTS

## A Major Breakthrough in Presentation and Mailing Solutions!

At a glance, Conformer<sup>®</sup> Products may not look dramatically different but its efficient construction provides you with significantly **MORE** value:

- **MORE Durable** – 360° perimeter protection.
- **MORE Functional and Versatile** – Holds a little or a lot!
- **MORE Professional Looking** – Stays flat even as its capacity increases.
- **MORE Eco-Friendly** – Recycled & certified stocks available. Conformer<sup>®</sup> mailers replace Tyvek<sup>®</sup>, bubble mailers & boxes.

This patented technology has been applied to a full range of products including folders, portfolios, mailers and **MORE**. View the latest Conformer<sup>®</sup> Products, download templates or request a sample at our website. Go to:
