Project a Professional Image

...with a custom presentation folder!

In choosing a financial institution, your clients have more options than ever before. The first impression you create needs to look professional and inspire trust. A **Presentation Folder** is the perfect versatile solution – great appearance, brand advertising and organization in one complete package! **Budget Cutter Folders** feature premium linen stocks with your logo accented in beautiful foil. **Full Color Folders** can be custom printed with your unique services and programs. Sponsoring a Student Saver Program with **Report Card Holders** or **Homework Folders** establishes a positive brand image in local communities.

Uses Include

- New Customer Welcome Kits
- Showcase Services / Branch Locations
- Student Saver Programs
- Retirement / Financial Planning
- Organize Closing Documents
- Statement Binders
