Budget Cutter Folders

The average customer receives 3-5 quotes when planning a home improvement project. They compare cost, but in a local area, most are competitively priced. So what decides who gets the job? **The trust the customer feels.** To convert more bids into jobs, project a professional image. Hand out your quotes & contracts in a quality presentation product.

Budget Cutter Folders

Your logo stamped in beautiful foil on the front cover. Add a professional touch to any paperwork you hand out. Quantities as low as 50.

Full Color Pocket Folders

Turn a folder into your showroom! Feature full color photos of your projects, business hours, locations, testimonials, services & more. Business card slots or slits for brochures are available.

Sales Boxes & Portfolios

A full-scale remodel or kitchen make-over has lots of important paperwork to keep accessible – give your customer a personal project manager with a custom printed sales box or portfolio. Perfect for odd-size materials, product samples, contracts and receipts.

Disc Packaging

The perfect solution to feature your personal “slide-show” of finished projects or for product demonstration videos.

Door Hangers

The economical way to generate referrals near existing job sites.

ID Badges

Promote client safety. Include photos, bar codes and more. Can purchase a single badge.
