Disc Packaging

The average customer receives 3-5 quotes when planning a home improvement project. They compare cost, but in a local area, most are competitively priced. So what decides who gets the job? **The trust the customer feels.** To convert more bids into jobs, project a professional image. Hand out your quotes & contracts in a quality presentation product.

Budget Cutter Folder

Your logo stamped in beautiful foil on the front cover. Add a professional touch to any paperwork you hand out. Quantities as low as 50.

Full Color Pocket Folders

Turn a folder into your showroom! Feature full color photos of your projects, business hours, locations, testimonials, services & more. Business card slots or slits for brochures are available.

Sales Boxes & Portfolios

A full-scale remodel or kitchen make-over has lots of important paperwork to keep accessible – give your customer a personal project manager with a custom printed sales box or portfolio. Perfect for odd-size materials, product samples, contracts and receipts.

Disc Packaging

The perfect solution to feature your personal “slide-show” of finished projects or for product demonstration videos.
