## Attract Customers.

Effective products that promote your business.

Pocket Folders

Key Cards

Budget Cutter Folders

Hotel Key Card Holders

Gift Cards & Card Holders

To keep and retain customers it's important to effectively promote your business and establish your brand. You need to create presentations that help your customers and get you noticed! Choose a high-impact **Pocket Folder** to feature photos, list services, hold literature and more! **Key & Card Holders** are the obvious solution for room keys but don't overlook their potential to hold a gift card too. A **Budget Cutter Folder** foil stamped with your name and logo is a simple, yet elegant way to present information, menus, contracts and available services.

### Popular Products Include:

**Budget Cutter Folders** – Emblazon your logo in beautiful foil across the front of these economical folders. Quantities as low as 50.

**Full Color Pocket Folders** – A variety of sizes & styles are available. Create a complete package for convention services, banquets, weddings and more.

**Key / Gift Card Holders** – Add focus to important information, check-out times, car rental info, room service, tourist attractions & traveler's safety tips. Feature amenities such as spa services and more.
