P A P E R S

1. Be sure each person operating, riding on or being towed behind is wearing a Coast Guard approved personal flotation device.
2. When personal watercraft are equipped with a lanyard type engine cutoff switch, the lanyard must be attached as directed to the operator's person, clothing or personal flotation device.
3. To ensure safe operation of a personal watercraft, don't operate during the hours of sunset and sunrise.
4. The following maneuvers constitute reckless operation of a vessel: weaving through congested traffic; jumping the wakes of another vessel unreasonably or unnecessarily close to the other vessel or when visibility around the other vessel is obstructed; and swerving at the last possible moment to avoid a collision.
5. Carrying more persons than the watercraft is designed to carry is also considered reckless operation of the vessel.
